**PART II: READING COMPREHENSION****(30 MARKS)**

Read the text below and do ALL the exercises that follow.

**A FAMILY HOLIDAY**

Sarah lives with her parents and her two brothers, Greg and Chris, in the city. Greg is ten, Sarah is eight but Chris is only five. Last summer, they had a holiday by the sea. On the first day of their holiday, they went to the cinema because it rained all day. It was a scary film about sharks. The sharks had very big teeth. Chris didn't like watching them and he closed his eyes.

On the second day, Chris thought about the film. He didn't want to swim in the sea. He sat on the beach and only watched Greg and Sarah. They played in the water. Mum gave Chris an ice cream but he didn't want it. Then Dad said, "Come on Chris! Let's go for a swim." But Chris didn't want to.

On the third day, the family ate breakfast in the garden because it was very sunny but Chris didn't want any. Then they all went to the beach again. The sea was blue. Chris sat under the umbrella and looked at the sea. He said: "Look dad! There are three beautiful dolphins in the water!" He ran to the sea and swam to them. Then Chris's dad threw a ball in the sea and the dolphins played with it. It was great and Chris stopped thinking about the sharks in the film. That evening, all the family went to the cinema again. This time the film was about a funny dolphin and they all liked it very much.

**A. Choose the best answer according to the text.****(5 x 2 = 10 marks)**

1. Sarah has got (a) a brother, Chris.  
(b) a brother and a sister, Chris and Jenny.
