Passage 1

*Maria's every day routine*

Every day I get up at half past six. I brush my teeth and have breakfast. I always have breakfast in the morning. At 7 o'clock I go to school by bus. I never walk because the school is not near my house.

I go home at 2 o'clock. Mum usually helps me with homework because dad works in the afternoon. I must finish it early because I have English lessons at 5 o'clock.

In the evening mum always cooks dinner. My sister and I usually watch our favourite TV programme together. I must go to bed at half past nine.

On Fridays mum makes my favourite food! Pasta with cheese! Friday is my favourite day because I can go to bed at 11 o'clock!

At the weekends I never get up early! On Sundays we often go to grandma's house. She lives in a small village. It's great there! Grandma makes cakes for us. They are yummy! I can play in the garden with my sister and I can ride my bike. I love visiting grandma.
