Puss in Boots
Adventure and Comedy

Puss in Boots is about a  cat that talks and wears a hat and boots. Puss has got a sword and steals from bad people. His friend, Humpty Dumpty is a large egg that can walk and speak. They are not honest. They steal from banks together. Kitty Softpaws is Puss's friend too and they want to find the magic beans. The beans can make a huge plant that goes to the giant's castle where there are golden eggs. These eggs can make the friends rich.

Comedies aren't my favourite kind of film, but this one was great. I laughed a lot! It was really funny and exciting! I liked Puss and Humpty Dumpty because they were funny. My favourite character was Humpty Dumpty because he was the funniest and kindest character in the film.

I think the film is great because the special effects were fantastic.

I give the Puss in Boots  You must go and watch it soon.
