A. Read about bullying and circle the correct answer.

(5x2=10 MARKS)

Say no to bullying

Bullying can happen to me or you or anyone. Millions of children around the world are bullied every year, but there are things that we can all do to help.

What is bullying?

Bullying is when someone makes you feel bad or hurts you again and again. Bullying can happen at school, out of school or online.

What is cyber bullying?

Cyber bullying happens online.

What can you do?

If someone is mean to you, tell an adult that you know and like. For example, talk to a parent or a teacher. You can block a person who sends mean messages online. Ask an adult to help you. Don't reply.

Talk to your parents or teacher or an adult you know well if you see bullying or if you are worried about a friend.

Say sorry if you are mean to someone. You can write a message or talk to a person. Think about how to be kind in the future.

We can all help to say no to bullying.
