A hundred years ago, (1) **appliances** at the house were not very common. In order for a woman to clean the floor of the house, she would (2) **sweep** it with a broom. However, nowadays, people use the (3) **vacuum cleaner** to suck up all the dust in a moment. A very common appliance for the kitchen today, is the (4) **dishwasher** that we use to wash the dishes and glasses. And of course, in order to wash the (5) **clothes** we use the washing machines instead of washing them by hand. Therefore, life nowadays is much easier than before!
