PART II: READING COMPREHENSION

(30 MARKS)

Read the 3 passages and then do ALL the exercises that follow.

Passage 1

Wonder

What's *Wonder* about?

Wonder is the story of a ten-year-old boy who lives with his parents and sister in New York. August, or Auggie, is an ordinary boy in many ways. He rides a bike and likes playing with his Xbox. But Auggie has deformities of the face and looks very different from other children. At the start of the book, he tells us 'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.' In the street, people look at Auggie and his appearance shocks them.

Auggie has never been to school because he has spent a lot of time in hospital. His mother teaches him at home, but now he's ten, she thinks he should go to school. At first, Auggie doesn't want to go. He worries that other students will look at him and say horrible things. But then he visits a school with his mum, he likes the headteacher and decides to go. Auggie's first year at school has good times and bad times. Auggie makes some good friends but other children are horrible to him. At the end of the year, Auggie goes on a school trip and a frightening event there changes things completely.

Is it a good book?

Wonder is an excellent book. It tells an inspiring story that makes you feel many different emotions. Once I started reading it, I didn't want to stop. It is easy to like Auggie. He has a good sense of humour, so the book has a good mix of funny and sad moments. But the book isn't just about Auggie. We learn what life is like for his sister, and Jack, who is Auggie's friend. *Wonder* is a book about a ten-year old boy, but it's popular with people of all ages. Pre-teens, teenagers and adults all love *Wonder*.

A bestseller

Wonder is RJ Palacio's first book. On her website, she explains that she had the idea for *Wonder* after seeing a girl with deformities on the street one day. Many schools are using the book to start discussions about bullying, friendship and being different. The book is very popular and has won prizes. There will be a film of *Wonder*, and many people, including me, are looking forward to seeing what RJ Palacio writes next.

Passage 3

CAN YOU COOK?

This teenager can — and his mum's very happy with him

Tom is like any other teenager. He goes to school, does his homework, meets his friends and enjoys doing sport.

But between 5.30 and 6.30 from Monday to Friday, Tom does something different. He cooks dinner for all the family: mum, dad, younger brother Joe and older sister Emma.

Tom in the kitchen

“I think it's important for teenagers to learn how to cook. Maths and English are important, of course, but they need other skills too to help them in today's world.

First I taught Tom how to cook easy meals like pizza or egg and chips. Then he started using recipes in my cookery books. Yesterday he made vegetable soup. It was very good!

Tom's mum

“I love cooking and I think I'm really good at it. None of my friends cook. I don't know why, it isn't difficult and it's great fun!

Tom

In the past, Tom didn't help out at home and his mum wasn't very happy with him. Today, things are different and she is very happy.
