Our Vacation

Every year we go to Florida. We like to go to the beach.

My favourite beach is called Emerson Beach. It is very long, with soft sand and palm trees. It is very beautiful. I like to make sandcastles and watch the sailboats go by. Sometimes there are dolphins and whales in the water!

Every morning we look for shells in the sand. I found fifteen big shells last year. I put them in a special place in my room. This year I want to learn to surf. It is hard to surf, but so much fun! My sister is a good surfer. She says that she can teach me. I hope I can do it!

My garden

This is my garden. It's very big and also very wide. On one side, there is the McDonald family and on the other side, there is the Korfman family. I like both my neighbours.

There is a lot of grass in my garden. Now, it's September and the grass is long and thick. I also have three trees in the garden. There is a young lemon tree which is very small. It doesn't have any fruit, maybe next year! Then, there is a peach tree. There aren't many peaches this year because of the cold weather in April and May. The third tree is an apple tree. Apples always grow well in this area and the tree is full of big green apples. Tomorrow, I want to make a big apple pie.

Michael and his stomach

Michael works in a restaurant in the centre of Madrid, Spain. He goes to work at 5pm, but yesterday at 5pm, he wasn't on the bus, he was in a taxi going to the hospital. He was very sick! Usually, he works in the kitchen all evening, but yesterday he wasn't in the kitchen. He was in the X-ray department of the hospital because the doctors were worried about his stomach pains.

Normally, at 11pm, Michael takes a bus to go home after finishing at the restaurant, but yesterday at 11pm, he was still in the hospital and he was still unhappy and sick. He was in a bed and he was very hot - 39 degrees! Was he worried? Yes, he was!
