Chartered Accountants

Are at the highest level of technical and ethical excellence.

98% of the global leading brands employee Chartered Accountants

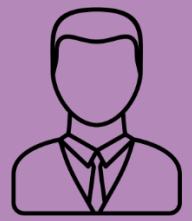

Over 30 Years in Cyprus

74% of the partners with an accounting qualification among the top firms in Cyprus are ICAEW Chartered Accountants.
Leading participation in the C-suite.

We support over
3300
members in Cyprus.

Over 700

students are currently taking the ACA in Cyprus.
Students qualify usually in 3 years
High passing rates over 80% pass first time

National recognition

ICPAC membership
We are the only active in-country Chartered Accountancy body that leads to the ACA title.

What does an ICAEW chartered accountant do?

1 CHARITY

Chartered accountants make a difference by using their financial skills in charitable or voluntary sectors.

2 INSOLVENCY

ICAEW Chartered Accountants play a vital role in the running of local authorities and influence decisions at a national level.

3 TAX

For those who have an interest in law and work in a fast-paced sector, a career in tax is a rewarding option.

4 BUSINESS

From fashion to football, chartered accountants use their financial skills to support companies operating in any sector.

5 PUBLIC SECTOR

ICAEW Chartered Accountants help firms recover from financial difficulties and support them through insolvency.

6 AUDIT & ASSURANCE

Adaptable, analytical, collaborative and a good communicator, these are the qualities needed for a career in audit and assurance.

7 FORENSIC ACCOUNTING

ICAEW Chartered Accountants specialising in forensic accountancy investigate and help to prevent financial crimes.

8 CORPORATE FINANCE

Chartered accountants working in corporate finance shape how organisations source funding, handle capital and complete takeovers.

THE INFINITE CAREER OPTIONS
