Faculty of Medicine
University of Patras

Accredited by the Hellenic Authority for Higher Education

Study Medicine in Patras

Medical Degree English Program · University of Patras

Admissions for the academic year 2027–28

Prof. George C. Kagadis
Director of Studies · Deputy Chair, Faculty of Medicine

ΣΠΟΥΔΑ-ΖΩ 2026 · Nicosia
Saturday, 17 October 2026

WHO WE ARE

A Faculty of Medicine next to its hospital

1977

An established Faculty

Almost 50 years of medical education and research at the University of Patras

700+

Beds, on the same campus

The University General Hospital of Patras, a tertiary hospital, is right next to the Faculty at Rio

Patras

A student city by the sea

Greece's third-largest city: Mediterranean climate, lively student life, affordable living

LIFE IN PATRAS

Six years in a city made for students

A university city

One of Greece's largest universities; the campus at Rio looks out over the sea

The Patras Carnival

Greece's biggest carnival, every winter, with thousands of students taking part

Affordable living

Rent and everyday costs well below Athens; housing guidance in our Info Pack

Close to home

Fly Larnaca or Paphos to Athens, then about 2.5 hours by road to Patras

THE PROGRAM

The program at a glance

6 years
12 semesters · 360 ECTS · taught in English

Same
curriculum as our accredited Greek-language Medical Degree

50
places a year, plus up to 10% entry into year 3

B2
Greek in the first 6 semesters, to speak with patients

€12,000
tuition per academic year

2
scholarships a year, for merit and financial need

QUALITY AND RECOGNITION

A degree with solid foundations

01

HAHE

Evaluation by the Hellenic Authority for Higher Education

02

Curriculum Committee

Program updated in response to the evaluation

03

Faculty Assembly

Approval

04

University Senate

Approval

05

Government Gazette

ΦΕΚ 3861/Β', published 29 June 2026

The same accredited Medical Degree as our Greek-language program.

THE SIX YEARS

From the laboratory to the ward

PHASE 1

Preclinical

Basic medical sciences, with laboratory teaching and small groups

PHASE 2

Clinical

Clinical subjects and progressive exposure to patients

PHASE 3

Clinical practice

Hands-on training in the wards of our university hospital

Greek language courses run alongside the first 6 semesters, aiming at level B2

CLINICAL TRAINING AND SUPPORT

Supported from the first day to the last

Two clinical sites

University General Hospital of Patras and the University Health Center of Patras

A dedicated secretariat

One team that answers in English: admissions, registration, accommodation, settling in

International Student Info Pack

First-week checklist, insurance, housing, transport and everyday life in Greece

Erasmus+ and exchanges

Mobility opportunities through the Faculty's international agreements

APPLYING FOR 2027–28

Who can apply

School leavers

Non-Greek citizens who completed the last two years of secondary school abroad, or at a recognised foreign school in Greece

Graduates

Non-Greek graduates in related sciences: Biology, Chemistry, Physics, Pharmacology

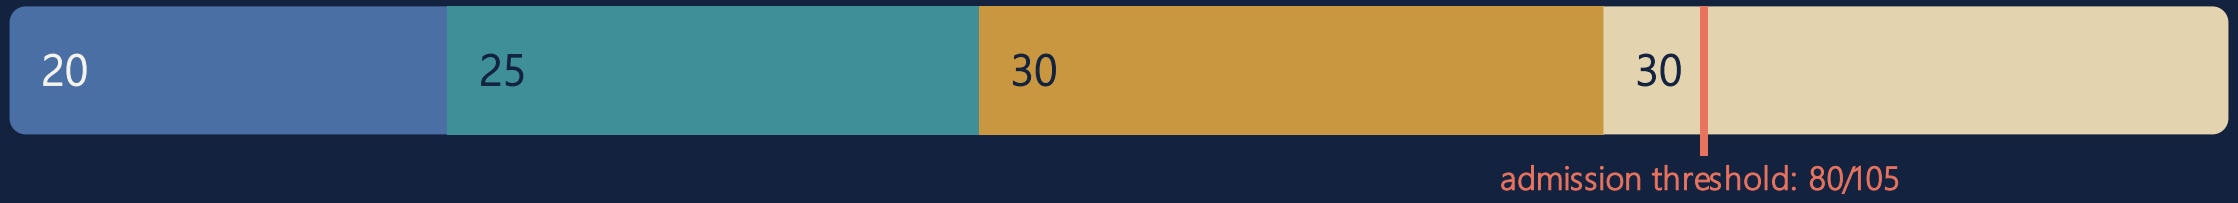

English at B2 or above

A certificate at level B2 or higher, or TOEFL with a minimum score of 79/120

Cypriot citizens are eligible, as non-Greek nationals, and need no visa to study in Greece

SELECTION

Four transparent criteria

School diploma
up to 20 points

CV
up to 25 points

English
up to 30 points · minimum B2 or TOEFL 79

Interview
up to 30 points · online, with members of the Curriculum Committee

Candidates are ranked by total score; places go to the highest-ranked who reach the threshold

THE INTERVIEW

What we look for, beyond grades

Motivation

Why medicine, and why you

Maturity

Realistic about six demanding years

Empathy

Care for people, the core of a good doctor

Communication

Clear thinking, in English

Our advice: be yourself, know why you want to study medicine, and learn about our program before you apply

Call, application platform and all details: **https://meden.upatras.gr**

Questions: **meden@upatras.gr** · +30 2610 962372

QUESTIONS WE HEAR OFTEN

Frequently asked questions

Is it the same degree?

Yes: the same accredited curriculum as our Greek-language Medical Degree

Can I apply before my final exams?

Yes: apply with your latest grades and send your school diploma when you have it

Are there scholarships?

Two a year, based on academic merit and financial need

Do I need Greek?

Not to apply. Teaching is in English; Greek is taught in the first 6 semesters

Where will I train clinically?

University General Hospital and University Health Center of Patras

Can I get a refund if I change my mind?

No: the application fee and all tuition payments are non-refundable

THANK YOU · ΕΥΧΑΡΙΣΤΩ

See you in Patras ❤
