EXERCISE 3

You will hear a girl talking about a trip to Paris. Listen and underline the correct word in brackets. (10x1=10 marks)

About two years ago, I went with my class on our first school trip - five days in Paris. There were about 1. (**thirteen / thirty / thirty-three**) of us and four teachers. We all went in one big coach from our school in London. The teachers told us to be at school at 4.30 in the morning. Everyone was there 2. (**on / in / around**) time, but the coach didn't arrive until 5.00 o'clock and we didn't 3. (**live / lift / leave**) until 5.30. We were very cold and tired.

Anyway, the coach was very comfortable and we watched a video and listened to some CD's on the journey. We had some sandwiches and drinks with us so we 4. (**lent / went / sent**) straight to Paris without stopping. The trip was quite expensive. It cost £240 and we wanted to save money so we didn't 5. (**spot / stop / stalk**) at motorway cafés. It only took us eight hours to reach Paris. The name of the hotel in Paris was the *Hotel Berri*, that's *B-e-r-r-i*. It was very old but our room was nice and the bed was great, really 6. (**sole / soft / sore**)! I shared the room with three other girls.

When we went shopping I tried to practise my French a few times but sometimes I didn't know the right words and spoke in English instead. The shops were great! I 7. (**bought / brought / borrowed**) lots of presents; even a 8. (**T-shirt / skirt / scarf**) for my little sister.

I think what I most enjoyed was the 9. (**road / river / day**) trip. I took lots of photos of my friends and also of Notre Dame Cathedral and the wonderful 10. (**heart / card / art**) galleries. I was sad to leave Paris. I had a lovely time there. We came home by coach and this time the journey was much shorter. We even arrived back half an hour early.
