### EXERCISE 3

You will hear Daniel and his Mexican friend Olga talking about how to make tacos.

Underline the correct word in brackets.

(10x1=10 marks)

#### TACOS FOR TWO

**Daniel:** Hey Olga, how are you?

**Olga:** Hi, and how are you Daniel?

**Daniel:** I'm fine thanks. I need to ask you a favour.

**Olga:** Sure, what's up?

**Daniel:** Well, I'm trying to impress a girl and I need to **1. (cook / boil)** something for her.

**Olga:** I see.

**Daniel:** So I was thinking of Mexican **2. (fruit / food)**.

**Olga:** Wow, that's a good option.

**Daniel:** What can you recommend me?

**Olga:** Well, why don't you cook tacos?

**Daniel:** OK.

**Olga:** It's **3. (fairly / nearly)** simple and I think you can do it... Can you get tortillas?

**Daniel:** I might be able to get them but I'm not really sure.

**Olga:** Well, if you get them then I can just cook the meat, you know. It's really easy, like in a pan, a frying pan, you just **4. (fry / dip)** it with onion, salt, pepper, and maybe a little bit of, you know, chilli pepper. Do you like it hot?

**Daniel:** I would rather not have it that hot. It's the first date.

**Olga:** Yeah, but you know it's romantic, you know.

**Daniel:** OK.

**Olga:** Maybe just a bit. So... yeah you just **5. (slice / cut)** a little bit of chilli pepper and put it inside and when the meat is done you just put it inside a tortilla, **6. (cover / wrap)** it and maybe put some salad, you know, like lettuce and tomato **7. (on top / at the bottom)** with a little bit of cream.

**Daniel:** OK, what kind of cream?

**Olga:** The one that's not **8. (sweet / fresh)**, you know the natural one.

**Daniel:** That white one?

**Olga:** Yeah, right and are you sure about the tortillas?

**Daniel:** Just explain to me so in case I cannot get them.

**Olga:** Just get, you know, like corn flour.

**Daniel:** Corn flour?

**Olga:** Yeah, yeah, I think you can get it anywhere or at least on the internet

and you just **9. (pour / mix)** it with some water and maybe a little bit of salt and make, you know, like a...

**Daniel:** Pastry?

**Olga:** Yeah and just take a little round ball the size of... you know, you can hold it in your hand and you know like extend it to make the shape of the tortilla and just **10. (heat / boil)** it up in the pan without any oil or anything and it's done like in one minute.

**Daniel:** Wow, that's really easy.

**Olga:** Yeah, It's really easy.

**Daniel:** You think it's gonna work?

**Olga:** Of course.

**Daniel:** Thanks.

**Olga:** You're welcome.
