Exercise 3

(10x1=10 marks)

You will hear a student talking about international students.

Listen and underline the correct word in brackets.

International students

We have many 1. (**international** / national / multinational) students at my school. Some of the students come from England. They speak English, but they have an accent that is 2. (**distinct** / diverse / **different**) from a Canadian accent. Many students are from Japan. They are learning our language and our customs. We have students from Germany, Italy, China, Korea and Iran.

We try to make 3. (**these** / **those** / **this**) students feel welcome here. The students like to see what is here. They go sightseeing. They visit all the places that the tourists like to go to. Niagara Falls and Toronto are 4. (**exciting** / **interesting** / **impressive**) places to visit. The students practice their English by talking to Canadians. When they first get here, we show them 5. (**around** / about / round).

They do many exercises to learn the language. They listen to English songs. They read story books that are written in English. They listen to English language 6. (**tales** / **tapes** / **types**). The best way to learn the language is to talk to other people. It is good to ask questions in English. Canadians try to be 7. (**hopeful** / **wonderful** / **helpful**) to international students.

Some of the international students live with host families. The host families have the students living in their homes. It is a good 8. (**day** / **way** / **pay**) for the host families and the students to make friends. Many of the international students stay in 9. (**contact** / **combat** / **connection**) with their friends and host families even after they have gone back to their homelands. The international students learn a lot from their host families because they eat Canadian foods, and they learn what it is like to 10. (**leave** / **live** / **lean**) in a Canadian household.
