**To: Best Friend**

Hello my friend!

How are you? It has been a difficult week because we had many tests at school. Next month my family and I are going on holiday and I am really excited.

Mum and Dad like going sightseeing and visiting museums. I like it, too. When I travel to a foreign country, I always take a camera with me. I enjoy taking photos. I also take a map and a guidebook. I like learning about the other country's history and culture. I sometimes take my binoculars with me because they help me see things which are far away. I enjoy going shopping with my mum, too. I am thinking of buying new sandals when I go there.

What about you? What do you like doing when you are on holiday? What possessions do you take with you and why?

Write back soon and tell me.

Best wishes,

Olga
