## **PART II: READING COMPREHENSION (30 MARKS)**

**Read the text and then do all the exercises that follow.**

My name's Paul. I live with my Mum and Dad in a village near Oxford. My Dad is a shop assistant and my Mum is a nurse. Mum works in a big hospital. She goes to work at nine o'clock in the evening and she works for ten hours every night. Mum didn't use to work at nights, but she really likes it now.

When Mum gets home in the morning, we all have breakfast together. Then I go to school, Dad goes to work and Mum goes to bed. She gets up when I come back from school. We talk and watch TV, and then I do my homework. Yesterday, I didn't have any homework, so we played a table game. Dad came home from work at half past six and we all had dinner together.

After dinner, Dad usually reads his newspaper and Mum watches TV or reads magazines. Then she gets ready for work again. I wish she could stay at home in the evenings. I'm looking forward to the weekend because Mum doesn't work at weekends.
