

**Europe Day
School Year 2025 - 2026
VERGINA GYMNASIUM LARNACA
Information Leaflet, Projects, Quizzes and EU anthem**

As part of the celebration for the Europe Day students created projects based on the Cyprus presidency of the Council of the EU 2026, with a focus on "Logo analysis and design". On May 11th, 2026 the students had the chance to discuss and analyze their thoughts of their projects with Ms Elena Paraskeva, Inspectress of English.

An information leaflet on the history and the importance of the EU was created by the language teachers and discussed in class.

Quizzes were also prepared with students taking part during the break and winning small prizes. During the activity, one of the students played the EU anthem on his violin.
