

European Day of Languages
School Year 2025-26
REGIONAL PALAIOMETOCHO LYCEUM A. PANAYIDES – M. KOUTSOFTAS
Languages open the heart and the mind

This message came to life in our school, where students and teachers celebrated the European Day of Languages with creativity, joy, and enthusiasm. Through a whole week of activities, students discovered the importance of linguistic diversity and language learning, as well as the value of participating in a multicultural Europe.
