

**Literature Month
School Year 2025 - 2026
PETRAKI KYPRIANOU GYMNASIUM, LARNAKA
Creative Writing Workshop**

As part of Literature Month in March, our school organised a creative writing workshop in English for selected students of all levels. The instructor for the workshop was Dr James Mackay, Associate Professor of English at the European University Cyprus. Students had the opportunity to practise different writing techniques. They also wrote and shared their own poems.
